

Kids Bookmarks

(Finished Size: "2.75x8.5")

Front

Back

The back of the bookmark features a cartoon illustration of a boy holding a globe with the text "Prevent Stormwater Pollution:" written in a red arc above him. Below the illustration, there is a list of tips in various colors:

- Throw your trash in a trash can!
- Sweep up instead of hosing down.
- Pick up after pets and dispose of pet waste in the trash or toilet.
- Do not over water lawns and gardens, for it will wash all chemicals into storm drains.
- Take your car to a car wash instead of washing it on the street.
- Recycle – used motor oil, paper, plastic, metals, glass, clothes, garden clippings, cans, wood, etc.
- Fix vehicle leaks!
- Use non-toxic pest control methods.
- Battery acid, pesticides, cleaners & other chemicals can wash away and cause stormwater pollution. To dispose of toxins: call 888-CLEANLA or visit: www.888cleanla.com.

At the bottom, there are two circular logos: the City of Redondo Beach seal and a "NO DUMPING" sign with a fish and the text "SHELLS DRAINS TO OCEAN". Below the logos, the text reads:

City of Redondo Beach
Stormwater Pollution Prevention Program
